COMMUNITY PLEDGE

The #1ThingWWU Community Pledge is an opportunity to affirm your commitment to end domestic violence. Taking the pledge says that you will help end domestic violence by pledging to do #1ThingWWU.

MY PLEDGE

I, ____________________________, pledge to:

__________________________________________________________________________

__________________________________________________________________________

I understand doing/changing one thing can make a difference in my community and the movement to end domestic violence.

I will use my voice to stand against survivor-blaming, discrimination, and violence to end the stigma towards survivors.

I will listen to survivors without judgment, and respect their choices.

I will share my #1ThingWWU boldly, proudly, and often to inspire others to make a commitment to action against domestic violence.

I will encourage others to embrace their own #1ThingWWU to support survivors of domestic violence, and honor the advocates that work tirelessly to ensure the well-being of all survivors.

By living this pledge, I am joining with advocates across the country to end gender-based violence in my home and community.

Western’s #1ThingWWU campaign and pledge is adapted from the National Resource Center on Domestic Violence’s #1Thing campaign and pledge. Learn more at pws.wwu.edu/dvam. To request this pledge in an alternate format, call 360-650-2993. AA/EO. Rev. 9/2019.
